## OVERWHELMED **ESTIMONIES**

Enjoy these powerful testimonies from our viewers who have been OVERWHELMED with blessings from our limitless God!

—Jesse & Cathy

I sowed a seed in October to get a new car. I called it done, and I didn't think about it anymore. On December 21, I received a \$20,000 SUV... DEBT FREE! I didn't pay anything since that \$200 seed I sowed. It works when faith is worked!

I know that God has greatly prospered Jesse Duplantis Ministries, and I love hearing what God has done for Jesse and Cathy. It blesses me! I've been wondering why I do without when the Word says that I can have it ALL. And now, with your teachings, I am coming up out of poverty! I found out from your messages that even though I am a joyful giver, I have trouble receiving. I don't want that anymore! Now I am learning how to receive!

Over the past few months, I have needed major dental work done. Even though I have dental insurance, I knew I would be paying thousands of dollars to cover my portion. This week, when all the procedures were done, I went to settle my bill and I found out that I had a credit of several hundred dollars. ALL GLORY TO GOD! He is faithful in everything.

Thank you for your teachings. Yes! I will create my own world in Christ, and it will be a world of spiritual, physical, and economic overabundance!

One thing is for certain, our God is an overwhelming God! It's time for you to be immersed in the blessings of God and to be awestruck by His goodness in every area of your life. We serve a God Who is ready to kick out all the stops so that you can live the abundant life He has destined for you.

Throughout the years, I've had a lot of people claim that I have much more faith than they do. I don't believe that I have any more faith than anybody, but the truth is that I might have a little bit more obedience! The Bible says that it is better to obey than it is to sacrifice. You see, the key to living an overwhelmingly blessed life is to listen to the voice of God and to continually walk in obedience. When tough times try to come to steal my joy, I don't look at the natural circumstances set before me. Instead, I choose to meditate on the Word of God and obey His voice.

The Word says in John 10:27-28, "My sheep hear My voice, and I know them, and they follow Me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of My hand." Doesn't that make you want to shout? It's an overwhelming thought to think that our great God has purposed for us to abide with Him forever throughout all of eternity. But in order to receive that glorious promise of salvation, we must first hear God's voice, obey it, and then follow His commands.

Obedience is essential to being an overcomer in this

life. That doesn't mean that trouble doesn't come. As I often say, I've had many opportunities to fail, I just don't take any! God gave me a revelation many years ago to simply believe the unbelievable and to receive the impossible because with God, it's doable. This revelation overwhelmed me with the faith needed to live a blessed life.

# Believe the Unbelievable, Receive the Impossible, Because It's Doable

You must understand that we serve El Shaddai—the God that is more than enough. This means that your Heavenly Father is willing and able to overwhelm you with His goodness and power in every season of your life. Mark 11:24 says, "Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." In other words, God is saying, "I'll do whatever YOU can believe!"

Notice that the verse says, "what things soever ye desire." It doesn't say, "whatsoever things He desires" or "whatsoever things they desire for me." Unfortunately, the Church world has twisted the true meaning of this powerful verse. Instead of preaching what Jesus said, they have decided to call "asking for what you want" greedy and ungrateful. Well, I am here to set the record straight

and let you know that it isn't greedy at all to desire God's overwhelming blessings for your life.

As a child of the living God, it is your duty to ask Him for things, and to ask BIG! Asking big is a sign of growth. You serve an overwhelming God Who wants to give you the desires of your heart. If He has given you a vision to accomplish, He wants to bring it to pass. You need to focus on the words of Jesus and believe that you receive when you pray, and you shall have it. Do you believe what Jesus said? The moment you pray to the Father in the name of Jesus and believe, then you have received!

# The Spirit World Is So Much Bigger Than the Natural World

You might be thinking, "Yeah Brother Jesse, but I don't see it yet." Let me just remind you what faith really is. The Bible says that faith is "...the substance of things hoped for, the evidence of things not seen" (Hebrews 11:1). So, do not let time defeat you. Just because you can't see the manifestation of your miracle yet in the natural world doesn't mean it's not yours and that nothing's happening. Remember, the evidence is "not seen." So, guess what? The devil can't see it either! He can't see the wondrous breakthrough that is about to unfold in your life which was activated by your faith. In his mind, you are toast! But little does he know that God is working behind the scenes on your behalf! Do you see how good God is?

So, when the devil tries to inject thoughts of doubt and unbelief into your mind, all you have to do is remind him that he's the loser in the situation. Tell that stinking devil to get under your feet where he belongs! Start declaring that you are already a winner in the sight of God because He has overcome the world! Your faith in Jesus Christ qualifies you to enter into the winner's circle. Recognize that you already possess the overwhelming promises of God because they were transferred from the spirit world into the natural world by your faith. Once you grab hold of this fact, let it resonate in your heart. Only then will you truly live the way the Lord intended for you to live—on Earth as it is in Heaven!

You see, it's your responsibility to obey the truth of the glorious Gospel and to activate your faith. God has already given you His everlasting Word and resurrection power in order to withstand the wiles of the devil. It's up to you to accept it. If it helps you to understand, point your finger at yourself and say, "I have the power of Christ within me!"

You have been given dominion and authority to influence the natural world with your faith. When you realize this, then NOTHING can stop you from relying on your overwhelming God.

# Do You Know the Will of God for Your Life?

It's sad to say that most Christians don't know the will of God for their lives. I hate to say that, but it's simply the truth. If you want to find out the will of God, all you have to do is crack open your Bible and start reading the first 2 chapters of Genesis and the last 2 chapters of the book of Revelation. In between those chapters is a whole bunch of stealing, killing, and destroying by an archenemy named Satan.

Matthew 7:7 says, "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:"
Reading this scripture should motivate you to "keep on keeping on" when it comes to knowing the will of God for your life and receiving His blessings. Jesus is encouraging you to keep asking, seeking, and knocking to see the perfect will of the Father in every area of your life. And He promises that it will be given to you.

So, if Jesus says to do this, then how can you say you don't know His perfect will for your life? Don't let anyone trick you into believing that you don't know God's will! If God is saying one thing and they are saying another, somebody's lying...and it isn't God!

#### **Get What God Says!**

Knowing the will of God and then believing His Word releases overwhelming blessings in your life. This works not some of the time, but all of the time. I have seen people in terrible situations overcome their issues by using the Word of God and its healing power.

For instance, maybe you've been diagnosed with stage four cancer. Doctors would say that's the worst stage, and I don't deny that. However, I do deny its right to affect you! I know that doctors are educated and they receive the proper degrees to practice, but you have to remember that they're going by what they see in the natural. The difference between God and doctors is that doctors are "practicing" and God doesn't practice. He is perfection! So, when a doctor gives you a horrible diagnosis, you have to decide whose report you shall believe. You're not denying the report, but you are denying its right to exist in your life. The Bible says that by His stripes you were healed (1 Peter 2:24). He bore all of your sickness and disease on that cross of Calvary over 2,000 years ago.

For most people, receiving a stage-four cancer report spirals them into overwhelming fear. Scenarios start playing on repeat in their minds, and phrases start coming out their mouths like, "This is the end. I've got two months to live. I'm going to die!" But remember, Proverbs 18:21 says, "Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." Say what God says and live!

It's death and life that are in the power of *your* tongue, not the stage four cancer! All cancer is are cells in rebellion. It is a tool from the ultimate rebel himself, Satan, to steal, kill, and destroy your future. "Well, how do I fight this, Brother Jesse?" First, you must start by lining your words up with God's Word. Begin to decree and declare overwhelming life, and life more abundantly. See, when you put yourself in alignment with something that you don't want, you get what you don't want! You get the cancer, you get the death, you get all that evil stuff that comes with it. But when you put yourself in alignment with what God says, you get what He says. Like I often say, "Don't call the dog when you want the cat!"

There are so many things in this sin-sick world that are out to destroy you, but the Word says that you have life in abundance. This abundant life is only found in a relationship with Jesus Christ. John 1:1 says, "In the beginning was the Word, and the Word was with God, and the Word was God." So, Jesus and the Word are one and the same, and your faith in His Word will take care of any situation you may face. Whatever it may be, when you ask, seek, knock, and open up your heart to Jesus, things start to change in your favor.

So, every time the devil rears up and says that you are worthless, just remind him Who your God is! One of my favorite things to do is to meditate on our omnipotent, omnipresent, and overwhelming God. And let me tell you something about Him—He is bigger than your mind, your intellectual activity, your range and research, or your induction and reasoning can even fathom! He has over 70 names—He's just that BIG!

#### Overwhelmed by the God We Serve

It takes millions of dollars a month to run our ministry, and we are always ready when the Lord calls us to a new project that will benefit His kingdom. We are always progressing and advancing in every area to reach people and change lives, one soul at a time. Sometimes the numbers can be shocking and require millions to get the job done. That's a lot of money! But I've made up my mind to keep moving forward in the calling that the Lord has set before me. I have no time to be sad, sick, busted, broke, or despondent! Like the apostle Paul, "I press toward the mark for the prize of the high calling of God in Christ Jesus" (Philippians 3:14).

If your faith isn't anchored in how big God is, financial figures can overwhelm you with worry. Maybe you are experiencing overwhelming feelings within your own life when prices rise and fall in an ever-changing economic world. Well, let me help you: Don't go by what you feel, go by what you BELIEVE! It is up to you to rebuke those "feelings" and rely on the everlasting, unchanging Word of the living God.

The visions and dreams the Lord has placed within you are for a divine purpose—so that you can complete your destiny and reach your destination. The power of God will cause you to exchange overwhelming fear with overwhelming faith so that you can get the job done!

When I want to be overwhelmed by how big our God is, I like to flip through my Bible to Isaiah 40:12, which says: "Who hath measured the waters in the hollow of His hand, and meted out heaven with the span, and comprehended the dust of the earth in a measure, and weighed the mountains in scales, and the hills in a balance?" What an overwhelming thought! Do you know how big the Pacific Ocean is? I've flown over it many times, and it's huge. In fact, I've also flown over the Atlantic Ocean, the Indian Ocean, and countless lakes, rivers, and seas too. The great God Jehovah created them ALL...with just a drop of water in His hand!

Look at the first part of verse 12 again in the Amplified Bible, Classic Edition: "Who has measured the waters in the hollow of His hand, marked off the heavens with a nine-inch span...." The planet Earth is just a molecule compared to the vastness of outer space. Even the most learned intellectuals and scientists say that space is so huge that it is hard to imagine and grasp its vastness. Just our Milky Way galaxy alone takes 100,000 light years to cross traveling at the speed of light. That's 5.7 trillion miles a year!

There are over 400 billion galaxies and God measured them all out with a nine-inch span of His hand. Think about that! So, do you think I'm worried about an extra million dollars for a ministry project that the Lord has called me to do? You're living in a dream world! As you read Isaiah 40 and meditate on just how good our God is, you get stirred up in faith. So why glorify the devil by worrying about your problems when God said He'd supply all your needs?

Our assignment is to always focus our attention on God and to realize that there is nothing too big for us because we belong to Him! First John 4:4 says, "Ye are of God, little children, and have overcome them; because greater is He that is in you than he that is in the world."

#### Don't Complicate This

The reason I believe that the Lord wanted me to write this book is because some of you are going through some hard times and you don't know what to do, when to do it, where to do it, or how to do it. Do not complicate this! It really is simple. All you have to do is look up and realize that God can help you with your problems no matter how impossible they seem. Remember, this big God lives right inside of you—Christ in you, the hope of glory!

I guess that's why I don't allow sickness or sadness to take me over. Now that doesn't mean those things don't try to come; I just don't take them! I don't allow them the right to stay around me. I'd rather keep on believing that my God is able to do exceedingly abundantly above all that I can ask, think, or imagine (Ephesians 3:20). Why? Because He's faithful, and He's done it for me time and again.

So, what do you want today? What do you desire today? You see, God has already supplied all of your needs, so tell Him what you want. How big is your God? Maybe your family is stepping all over each other and you'd like a bigger house. Well, I'm here to tell you that you can have it, and more.

Maybe someone's told you that your desire is too big. That's something Cathy and I will never do—we'll never tell you that you can't have something that you desire. We stick with what the Bible says, and it says to ask anything in the name of Jesus, and He'll do it! Remember, what the Church calls greed, Jesus calls growth.

John 14:12-14 says, "Verily, verily, I say unto you, He that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father. And whatsoever ye shall ask in My name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in My name, I will do it."

Notice Jesus says, "I will do it." Unfortunately, the Church has messed this all up. They say, "Well, Brother Jesse, if it be His will." No, it doesn't say that! I'm tired of the Church, for over 2,000 years, putting stuff in there that He never said, and I smite that ungodly statement. You must recognize that if you are following God's Word, then your will is God's will. But if you believe that, let me warn you now, get ready, because people will criticize you and try to persecute you. They do that to me, but so what! I still stand firm through it all, because if God can measure the oceans with a drop of water, then I can handle that nonsense.

#### **Take Off the Limits**

We must take the limitations off of God. I remember back in the earlier years of the ministry, we needed to expand our offices. We wanted to stop leasing office space and buy a building so that we could continue to do the work for the Kingdom. Cathy began to look around for a building that would be suitable for the ministry's needs and at the price that we had agreed we wanted to pay.

As Cathy began looking for possible properties, she became frustrated with all of the available buildings on the market. One day she was especially discouraged, and God gave Cathy one of the best statements as she was driving around and searching. He said to her, "Cathy, I haven't hidden the building from you, I've hidden the building for you!" That one word from God changed everything. It brought a sense of peace to her heart and her frustration level dissipated.

The building didn't materialize right then, but she rested in the word that God gave her. She trusted that it was just hidden for her at that present time. Cathy continued her search, and it wasn't long before she found the exact building that met all of our needs. And to top it off, she got it at the price we had agreed that we would spend.

God had indeed kept that property hidden for us, as well as from all other investors at that time. From then on, I have gone to Isaiah 40:11-15 when anything comes up that tries to overwhelm me. I just overwhelm that issue with this scripture. Why? Because God so overwhelms anything that comes my way.

So, what needs to be overwhelmed in your life? Is it the debt that you're under and you don't know what to do? I suggest you go read Isaiah 40:11-15. Even if you have to read it every day 100 times a day, do whatever it takes to bring you understanding. This God is so huge, yet He

Take the limits off. You've got a God Who can do anything! So, what do you want? Are you willing to allow Him to overwhelm you today with what is in His hand?

He will do it!

makes Himself small enough to live inside of you. Let the Word of God overwhelm you. Take the limits off. You've got a God Who can do anything! So, what do you want? Are you willing to allow Him to overwhelm you today with what is in His hand? He will do it!

The universe is still expanding, so that means that God is still working. He's still working in each of our lives, helping us to think bigger, to believe bigger, and to expect bigger. Every time God gives you a dream, a goal, or a project, He is teaching you to expand your faith. Why? Because this is the way that you are to live and grow. So, find your promise in the Word, believe God, pray, and trust Him. Then, watch how He will bring His overwhelming presence into your life!

The above article is an excerpt from Jesse's new book, *Overwhelmed*.

## Salvation Is God's Overwhelming Gift to You

Do you know what's the most overwhelming thing God has ever done for me? Can you guess what it might be? It turns out that it's the same thing He did for you and for anyone who will accept it: Salvation!

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16)

God's overwhelming gift to you and me is salvation through His Son, Jesus Christ. The Bible says in John 10:10 that Jesus came so that we might have life, and have it in abundance. So, how do you move into that kind of life? By recognizing your need for God, making a choice to accept Jesus as your Savior, and praying from your heart.

If you've never received Jesus as your personal Lord and Savior and you're ready to make Heaven your eternal home and begin a new life right here and now, would you pray this prayer today? All you have to do is ask for forgiveness and ask Jesus to come into your life. He will listen and do what He's promised: He will forgive you, wash your sin away, and it will never be held against you anymore. He loves you and He's waiting for you to call out to Him today. Use this simple prayer as a guide, and receive the salvation Jesus went to the cross to give you:

Lord Jesus, I ask You to come into my life today. I believe that You are God's Son and that You died for my sins. I believe that You were resurrected and are in Heaven now hearing my prayer. Forgive me of all my sins and create a clean heart in me. I know You see me, You love me, and You want to show me how to live Your way. I trust You, Lord, and from this day forward, I will live for You. Help me, Lord, starting today, to see my life the way You do, and to draw closer and closer to You every day. I love You! Thank You for saving me!

If you just prayed this prayer, welcome to the family of God! As 2 Corinthians 5:17 says, you are now a "new creature" in Christ, and your slate is now clean before the Lord. I want to encourage you to read your Bible and listen to positive, faith-filled messages to build your faith and your relationship with Him.

It's also important that you let someone know of your decision to follow Jesus, and I would love to hear from you. I want to rejoice with you and send you my free booklet, *Understanding Salvation*, to help you in your new walk with

Christ. You can contact me online at JDM.org and click the "Do You Know Jesus?" tab.

Like 2 Timothy 1:6 says, I want to encourage you to daily "stir up the gift" of God that lives inside of you and to share Jesus wherever you can. No matter how old or young you are and no matter where you are in life, you now have the Holy Spirit inside of you to lead you into all truth and guide you into the rewarding and fulfilling life God has just for you.

Congratulations on making the best decision you could ever make. God bless you as you go and grow and know that I'm praying for you!

- Jesse

# GLORIOUS MOMENTS with Cathy

God is doing so many glorious miracles in the lives of people through JDM! I can never praise Him enough for the wonderful ways that He has touched lives all over the world for the past 49 years. Psalm 106:2 (NLT) says, "Who can list the glorious miracles of the LORD? Who can ever praise Him enough?" Since 1976, Jesse and I have been joyously proclaiming the Gospel to the world and seeing results like the wonderful testimonies featured here in this issue of our monthly ministry magazine. As you read each one, I pray that you will be encouraged to stand firm in faith for your glorious moment.

In 2022 you both came to Harvest Church in Wembley, London UK, and I came to the church the evening you were speaking. My life has changed so much from that day! It was such a beautiful service, as always. I love listening to you both. Near the end of the service, Brother Jesse, you called ministers forward for prayer. I wasn't going to go forward because I didn't consider myself a minister, but the lady sitting beside me encouraged me to go forward. I am the lady with the really long hair. You declared increase for every area of my life and thanked God that it would all be done. And how amazing was the word you gave me from the Lord: "Tell her that her strength is in her hair, like Samson's strength. People notice your hair because My light is in there." Also, strength is one of the things I need the most. My life has been changed and is on a trajectory of personal growth. Since that meeting in 2022, I have found the courage to drive to work on my own. Previously, my husband always sat next to me as an 'instructor' as I have never before been confident enough to drive on my own in London (I have lived in London for nearly 20 years). I also started running and ran in a 5K race, and I also bought my first property. I have great vision for my future. I believe that God is preparing me for something great. God has already done so much in

my life. Jesus saved me from a place of no future and no hope. I love how you both preach the full Gospel—nothing is watered down. I love it! Thank you both so much for your ministry.

Praise God for your lives! Continue to spread the truth, Brother Jesse and Pastor Cathy, until Jesus comes! I'm always encouraged by your preaching and teaching. It invigorates my soul and always helps me in times that I need it the most. Glory be to God! Your Partner from the Philippines.

I want to thank God for delivering me from alcohol while watching Jesse on TV. He prayed that I will never drink alcohol again. I used to be a heavy alcohol drinker, but since Jesse prayed, I no longer drink alcohol. It's been 3 years since I'm clean. I would like to thank Jesus for delivering me and thank Jesse Duplantis for praying for me. May God bless you more!

Thank you, Pastor Jesse. Hearing your voice makes joy arise in me. Greetings from Sandbaai, South Africa.

My husband and I are Holy-Ghost-filled and fire-baptized believers, as well as Partners of your ministry. I know who I am, what I have, and what I can do in Christ. My obedience to the Lord is my number one priority. I strive to do only what my Father tells me to do and to say what He tells me to say. This is why I am writing you this letter. In 2022, I was faced with a breast cancer diagnosis that required mountain-moving faith. It was about 2 months prior to the diagnosis that my husband came across a sermon of yours and sent it to me. You were teaching on Mark 11:23-24. The revelation that my husband and I received about the power within these verses greatly impacted our faith. This revelation came at a time we needed it the most. Little did I know that these scriptures were going to be the foundation of a battle plan and a book! It was during this situation that the Lord directed me to create a battle plan. The battle plan was simply a notebook, but it was filled with the Word of God. I collected every scripture I could that would help me counteract the attack from Satan, and Mark 11:23-24 was the key scripture. The timing of this scripture coming into our lives was not by chance; it was delivered by God through you and your ministry. I am happy to say that, today and forever, I am cancer-free. The victory was won before the battle ever started; I just followed my Commander-in-Chief through it. On behalf of my husband and myself, I say thank you! Thank you for your obedience in serving the Lord and fulfilling the call on your life. We appreciate you and Cathy and all you have done and continue to do for the Kingdom of God. All that you do matters! We love you both.

Shalom, grace, and peace of our Lord Jesus Christ. I'm writing from Transylvania. Sir, I've just watched and listened to your sermon at Men's Advance yesterday and the Lord put these few lines on my heart to share with you. I was tremendously blessed by your ministry, so I went on and watched some other short recordings with you, and also you with Mrs. Duplantis. I've experienced your wisdom, character, and faith. I rarely take notes, but I've filled some pages. I was blessed to witness the joy of the Lord and submit to a special level of faith. I saw Mrs. Duplantis' look towards you, as she looks up to you and also as she looks with the fear of the Lord, caring for you—caring for your image in people's hearts. You leave that in faith totally to the Lord, and the Lord answers that faith through Mrs. Duplantis. It's an amazing synergy, and I really mean to appreciate your faith in all. "I don't think about it, I pray about it." Keep it going, man of God!

Thank you for the Spanish translation. Excellent work. Jesse and Cathy are a great blessing to my life because they bring the word of the kingdom. God is making a great difference in every area of my life. They are guided by the Holy Spirit. Thank you so much. Your teachings are wonderful. \*This praise report has been translated into English for you to rejoice with us.\*

I had purchased a car back in the year 2020 and, as it turns out, the Lord showed me that we had eaten some of the seed that we should have sowed in the past few years. So, we put the car up for sale, but the price we were asking for was too high, according to the experts. I remembered a testimony that Jesse had given several years back when he was trying to sell a house and the experts had told him that he would never get the price he was asking. He stood his ground. I believe the Lord sent him someone to purchase the home who'd had the same wall paper in a home that they'd owned in the past that Jesse had in the home he was selling. It brought them a fond memory and they decided to purchase the home on the spot. I recognized the Lord's favor on you. Well, the Lord just did the same for us. He showed us favor and sent us someone that paid the price we were asking for our car, and paid cash! Thank You, Jesus! Now we are able to send you a seed, and we are expecting to have great things to happen for us. We are not trying to buy a blessing, but are being obedient in doing what the Lord wanted in the first place. The Lord has had us watching your broadcasts for over a year now, and we are seeing the results in our thinking and actions. We are passing on this knowledge to others and seeing the results in their lives as well. We are blessed to have had Jesse visit our church in the past years, and we look forward to seeing him again in person. God bless you and your ministry. May the Lord continue to increase you more and more.

If your life has been changed through JDM,
I want to hear from you! ~ Cathy

Can you imagine anything more wonderful than having a reputation as someone who wholly follows the Lord and lives in God's favor? A reputation that brings glory to Him and blessing to you? That's what I want, and I believe you do, too! Well, there's a man in the Bible that we can learn a lot from when it comes to following God wholeheartedly. His name is Caleb.

Now, Caleb was never a number-one man in charge of the Israelites. That was Joshua. Caleb was a number-two, but he was the best number two you've ever seen! Why? Because Caleb knew *not* to mix faith and time, and I'm going to show you how he did that.

His story begins after God delivered the Israelites out of Egypt and led them to the border of Canaan, the Promised Land—a land "flowing with milk and honey" (Exodus 3:8). Moses picked Joshua and Caleb to scout out the land along with 10 other men who turned out to be a bunch of doubting cowards. When all 12 came back and reported to Moses that

the land was indeed fruitful, the 10 cowardly spies reported that there were giants in the land, and that the Canaanites were too strong for them to overcome. They told Moses not to enter, and their fear spread like wildfire among the children of Israel. So, what did the Israelites do? They doubted God and began to murmur and complain.

Unlike those 10 cowards that came back with a bad report, Caleb was not moved by what he saw in the land. His confidence in God was not shaken—he wholly believed and followed the Lord! Caleb remained dedicated because he was a *real* visionary with a clear vision on his mind: the land that God had promised. So, when he heard the Israelites murmuring, Caleb took a stand. I can just hear him now shouting and saying, "Who cares how many giants are out there?! Who cares how hard it looks?! None of that junk makes any difference with God! He promised us that land, and He will give us victory no matter what it looks like!"

Unfortunately, the children of Israel ignored Caleb. God was so mad at them that He wanted to kill them all right there! But instead, He sent them into the wilderness to wander for 40 years until the entire faithless generation died. But God saw something special in Caleb. He said to Moses in Numbers 14:24, "But My servant Caleb, because he had another spirit with him, and hath followed Me fully, him I will bring into the land whereinto he went; and his seed shall possess it." Caleb would see God's promise come to pass!

For the next 45 years, Caleb remained strong in his body and in his faith in God. Here he was, 85 years old, and he was as ready for war as he was at age 40. He was prepared to take what God said was his when God said it was time.

So, when it was time for the next generation to enter the Promised Land, Caleb went to Joshua to remind him of what God told Moses so long ago: "... Thou knowest the thing that the LORD said unto Moses the man of God concerning me and thee in Kadeshbarnea. Forty years old was I when Moses the servant of the Lord sent me from Kadeshbarnea to espy out the land; and I brought him word again as it was in mine heart. Nevertheless my brethren that went up with me made the heart of the people melt: but I wholly followed the LORD *my God*" (Joshua 14:6-8).

To this day, Caleb's descendants still own the land that God gave him, and it's all because he followed God with his *whole* heart. He made keeping God first a life-business of faith and obedience. I do that every day of my life, and I encourage you to do it, too. Do you know what the consequences of that will be? God will overwhelm you with His goodness and blessing in every area of your life. Glory!

While I was studying about this with God, He gave me a powerful statement that really helped me see what He was showing me. He said that it's possible to be truly His but not wholly His. That went off in me like a shotgun! You see, it all depends on our degree of discipleship when it comes to being dedicated to the Lord.

The Lord explained that one known disobedience allowed, one condemned habit persisted, one wrong

relationship maintained, or one unchecked indulgence can actually cause our spiritual resolution to falter. Think about that for a moment. Those all allow distance to come between us and God, and that's exactly what the enemy wants to do to keep us from receiving His best in our lives. Wholly following the Lord means that we should subdue whatever comes to stop us from reaching our destiny and destination. If we don't subdue those things, they will eventually become our master. I don't want that, and I know you don't either!

To wholly follow the Lord and stay close to Him, I fellowship with Jesus and study His Word every day. That's how Jesus became my best Friend—we talk a lot! You see, complete dedication to the Lord will give you an acute perception and constant sense of God in your life. Your devotion and obligation to God will expand with increasing light and consecration. That means you will grow holier every day, accomplish more and more for Jesus, and experience His abundance and favor in every area of your life. Glory to God—He is faithful!

I often hear people say, "Brother Jesse never stops talking about Jesus. Nothings seems to ever bother him." Listen, if you wholly follow the Lord while it looks like this world is going to hell in a handbasket, it won't make any difference what's going on around you. God is your Protector, your Deliverer, your Great Reward. He loves you and wants to shine His glory through you, especially in the midst of any difficult circumstance.

Maybe you are going through something hard right now. Is there a promise that you're believing God for? Make wholly following the Lord a life-business of faith and obedience, and don't worry about the timeframe. I know, we all want it "yesterday," but in those times, just remember Caleb. He didn't let his spiritual resolution falter for 45 years, and God didn't let him down. So, be like Caleb: stay strong, never let time defeat you, and God won't let you down either. Keep God first in everything you do and He will honor you. When the time is right, you will see *your* vision come to pass. Those are the consequences of wholly following the Lord.

Thave often heard it said that miracles are like a ■dinner bell: when you ring it, people run to the table. That's really what happened during the earthly ministry of Jesus. When people heard that He performed miracles, multitudes brought their sick to Iesus to be healed.

But Jesus did not expect the miraculous to come to a standstill when He left the earth. He said, "Verily, verily, I say unto you, He that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father" (John 14:12). He gave supernatural power to His disciples and expected them to use it to bless others. He taught them that all things were possible to them that believed.

"Verily, verily, I say unto you, He that believeth on Me. the works that I do shall he do also: and greater works than these shall he do; because I go unto My Father." John 14:12

Jesus' Great Commission to His Church is clear:

And He said unto them, Go ye into all the world, and preach the Gospel to every creature.

He that believeth and is baptized shall be saved; but he that believeth not shall be damned.

And these signs shall follow them that believe; In My name shall they cast out devils; they shall speak with new tongues;

They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the

sick, and they shall recover.

So then after the Lord had spoken unto them, He was received up into Heaven, and sat on the right hand of God.

And they went forth, and preached every where, the Lord working with them, and confirming the Word with signs following. Amen.

Mark 16:15-20

In order for this promise to come to pass, the disciples had to do something: they had to "Go ye!" If they had just sat at home on the couch waiting for the signs and wonders, nothing would have happened. But when they went forth in obedience to His Word, the Lord was able to work with them, and confirmed the Word with signs following.

The same principle applies to us today. If we expect God to move miraculously through us, three key things must be at work in our lives: We must 1.) Believe, 2.) Obey, and 3.) Expect. When we do these three things, an atmosphere is created for God to move in the earth.

#### We Must Believe

The Bible tells us that some people only followed Jesus because of the miracle of the loaves. Bottom line? They wanted free food. John 6:28 says that they asked Jesus, "What shall we do, that we might work the works of God?" In other words, they wanted miracles without the Miracle-worker and salvation without the Savior. Jesus, as always, centered in on the real issue, which was their unbelief. "Jesus answered and said unto them, This is the work of God, that ye believe on *Him Whom He hath sent*" (John 6:29).

There always seems to be people that miss the big picture. They focus on what God can do for them and miss out on GOD. Jesus came to the earth that we might KNOW the Father, the Creator of all things.

Jesus said that the miracle-working power of God is released when you believe on Him. You must seek to know God for Who He is, not just what He can do for you. Once you do, it opens the door for the miraculous work of God to flow through your life.

Well, if believing on Jesus opens the door

to the miraculous, then we know that unbelief will slam it shut. That's what happened in Jesus' hometown. Matthew 13:54-58 (NASB1995) says, "He came to His hometown and began teaching them in their synagogue, so that they were astonished, and said, 'Where did this man get this wisdom, and these miraculous powers? Is not this the carpenter's son? Is not His mother called Mary, and His brothers, James and Joseph and Simon and Judas? And His sisters, are they not all with us? Where then did this Man get all these things?' And they took offense at Him. But Jesus said to them, A prophet is not without honor except in his hometown, and in his own household.' And He did not do many miracles there because of their unbelief."

Jesus' relatives were astonished by His wisdom and miraculous power, but they took offense at Him. They dishonored the Anointed One of God, and almost everyone in the town stayed sick because of it. Never let it be said of you that God could do no mighty work because of your unbelief.

#### We Must Obey

A miracle has been defined as an historic event or natural phenomena that violates natural laws and reveals God at the same time. From the creation of the world to the Resurrection of Jesus, the Bible reveals a God that is not limited to natural ways of doing things. He moves in a much higher realm and can use whosoever He chooses to accomplish His will in the earth.

Anyone that has ever been used by God in the miraculous has had to obey His voice. Mary said, "be it unto me according to thy word," and opened the door for the miraculous virgin birth of Jesus in the earth (Luke 1:38). At the Garden of Gethsemane, Jesus knelt down and prayed, "nevertheless not My will, but Thine, be done," and opened the door for all mankind to know the miracle of the new birth (Luke 22:42).

When Paul was knocked off of his donkey, he said, "Lord, what wilt Thou have me to do?" and opened the door to the miraculous to flow through his life (Acts 9:6). He never forgot that moment on the Damascus Road when he first heard the voice of God. In an instant, Paul was changed from a persecutor of the Church into a persecutor of Satan. He told King Agrippa about his heavenly

vision and call to preach the Gospel. He said, "I was not disobedient unto the heavenly vision: but shewed first unto them of Damascus, and at Jerusalem, and throughout all the coasts of Judea, and then to the Gentiles, that they should repent and turn to God, and do works meet for repentance" (Acts 26:19-20).

When Jesse and I answered God's call to the evangelistic ministry in 1976, we sought direction so we would know exactly where God wanted us to go. We were totally committed to the cause of Christ and bursting with desire to spread the Gospel that had transformed our lives. We wanted only to be in His perfect will and would have gone anywhere He commanded. We knew that to be in His will was a place of peace, protection, provision, and power. "...he who does the will of God and carries out His purposes in his life abides (remains) forever" (1 John 2:17 AMPC).

We asked, "Lord, where do You want us to go?" He answered, "GO YE!" We both remembered the Great Commission that Jesus gave His disciples in Mark 16:15, "Go ye into all the world and preach the Gospel to every creature." Excitedly we said, "YES, Lord, but where?" His answer was always the same: "GO YE!" So, that's where we began.

I always smile to myself when I think about our search for a place called "YE." We encountered congregations of all sizes and types filled with every creature imaginable. Most were friendly. When we went to Hawaii to preach, we wanted to rename it "YE." We thought, This could be the place called YE! Lord, please let this be YE! We wouldn't mind staying to reach the lost. (Someone has to do it!)

Although "YE" was not a physical place that you could point to on a map, Jesse and I knew when we found it. It's a place that reminds us that our life is not our own, and that we were bought with a price. It is a place of total rest and assurance that God is leading us by His Spirit, even though He may choose to reveal it only a step at a time. It stands as a continual reminder that this earth is not our home; Heaven is! Like Abraham, we obediently seek that city whose foundation and maker is God (Hebrews 11:10). We have discovered that success in fulfilling God's plan for our lives is always the result of obedience to His Word, boldness to relate His message, and perseverance to complete the vision.

#### We Must Expect

Those that believe in God and obey His voice expect the door to the miraculous to swing open. They stay focused on the Word of God, regardless of the impossibility of a situation, and refuse to give up.

Paul considered himself a chief of sinners before he met Jesus, but he did not let it affect his commitment to the call of God on his life. Instead of focusing on his past mistakes, Paul expected God's plan to be fulfilled in his life. He believed on Jesus, obeyed the Word, and expected the miraculous power of God to flow through him. The Bible says, "And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them" (Acts 19:11-12).

The Bible is filled with examples of people, like Paul and others, that walked in the miraculous power of God and completed their assignments.

Paul persevered to finish the race that was set before him. At the end of his life of service to God, he could confidently say, "I have fought a good fight, I have finished my course, I have kept the faith" (2 Timothy 4:7). The Bible is filled with examples of people, like Paul and others, that walked in the miraculous power of God and completed their assignments.

God may be calling *you* to do something that seems impossible. The wonderful truth is that we serve a God that specializes in doing the impossible through real people, just like you and me. The

Word tells us in 2 Chronicles 16:9 that God looks throughout the earth to show Himself strong through those whose hearts are completely His. God is still looking for those that will believe, obey, and expect the impossible. Open the door to the miraculous and allow His power to flow through you today!
