

January 2022

Dear Partner,

2022 has begun, so let me begin by saying, “Happy New Year!” I’ve said it many times before, but I believe every day is a new opportunity to believe the unbelievable and receive the impossible, because it’s doable! We serve a good God, a big God, and He has a plan for this world...one that includes us. I believe 2022 is going to be the year that we, as the Body of Christ, will not only confess what we’re believing for, but will also show the world what it means to really do the works of Christ. This year, I believe the world will physically see what we have confessed!

My theme for this year is very simple and yet profound—because it’s based on the words of Jesus in John 14:12, which says, “...*He that believeth on Me, **the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father.***”

Partner, Jesus has gone to His Father, and it’s our job to pick up the mantle and go do what He said to do. My theme this year is: **GO DO THE WORK**. I want you to see that when Jesus spoke those words in John 14:12, He was prophesying. Any person who believes on Jesus can take this as a personal Word from the Lord, because it is! The works that Jesus did were confined to a certain amount of time—and yet from the time He went to the Father until the day He comes back for us, the works that He did will continue to be done...and greater. Why? Because this is God’s plan for mankind. Jesus laid the foundation for us to be born again and to walk in God’s great plan.

There was a beginning, and there will be an end. The work matters—it’s what will usher in the return of Jesus. When the Gospel is preached to all the world as a witness, then and only then the end shall come (Matthew 24:14). So, the work matters! And, it’s time for all of us to realize it and get to work. I personally believe we can be the generation that sees Christ coming in the clouds. Glory! The question is, will we take the work seriously? Will we do it? Will we help spread the Gospel around the world?

If Jesus said we can and will do something, then we can and will! If Jesus says we can do His works and greater, then we shouldn’t waste time debating Him over it. That’s time we could spend doing the good works we’re called to do. That’s time we could spend building our faith and expanding our power on this earth. That’s time we could spend enjoying our days while we move forward in doing the work!

Faith is something we keep. It’s something we use every day, not just on some days. Doubt is something we must cast down. Doubt should never be a part of our mind when it comes to the words of Jesus—just accept them. We aren’t perfect, but He is! We walk in His light, not our own. We bend our will to the Father’s will, knowing that it is right and good no matter what this world says. I like to say that when we doubt God’s Word, it’s a form of atheism—because it is.

When we doubt the Lord, we are saying our thoughts are higher than His—but they aren’t. That’s a lie of the mind. That’s deception. And that is not part of our spiritual DNA! Doubting God is what

the devil brought into the world, and I don't know about you, but I think there's enough of his evil mess going on today. Our job as believers is to bring the opposite of evil, the opposite of doubt and unbelief, and the opposite of the works of the devil into this world. Our job is to bring the light of faith into the world, like Jesus did, to spread His Gospel and do His works. Jesus is the Hope of the world—He's the Savior of it, and He's the message to it. Our job is to align with His Spirit, follow His Word, and GO DO THE WORK He did, and greater.

GO DO THE WORK

You Are a Part of God's Plan for Mankind—Step Up

Why did Jesus say, "*He that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father*"? He said it because God wanted it said. He only said what God wanted, and only did what God wanted. That means God's plan depends on the works of Christ being continued. We are each a part of God's plan. When Jesus spoke about doing the works that He did, and greater, He was introducing the future of mankind to the disciples. He was leaving them with a prophecy of what the future could look like if they obeyed what He said.

So, my first point that I want to share with you today is this: **We have received ability from Jesus Himself to produce to humanity a new heavenly power and a new kingdom—in this life and into eternity.** Partner, we are all instruments that God is using to set up the end of this age and the return of Jesus Christ. God wants the world to SEE the mighty works wrought by Him through our hands, our mouth, and our life. It's 2022—and it's time to step up to the works of Jesus, because we are each a part of God's plan for humanity. Our theme this year is about spiritual, physical, and financial works...everything. We are to be walking miracles for God in this life and into eternity. We are to produce a new heavenly power and a new kingdom to humanity—lives lived with faith in God. All of it is for God's glory, and all of it is needed. Now do you understand why I'm not retiring? There's too much to do!

I am a part of what God is setting up! You are a part of what God is setting up! We are a part of His plan—and, like Jesus, we are to be instruments of His power right here on the earth where unbelievers and weakened believers can SEE it. It's our job to GO DO THE WORK. We are to bring the Gospel to the world, knowing that the Holy Spirit will draw the lost to the Father. And, our witness to the world will help usher in the return of Jesus Christ to this earth.

"GO DO THE WORK"—I hear these words in my mind 24/7 lately, and the urgency of it keeps coming up in my spirit, my soul, and my body...it's coming out of my mouth all the time lately! I feel these words rising up in me every day!

GO DO THE WORK

You Are in the World, but Not of It—Be Holy

You and I are in the world, but not of it—our home is where our Father is, which is in Heaven. Jesus took our sin and bore our iniquity, and we have been delivered from the *power* of sin. So, when it comes to sin, we should never be like a vampire that wakes up at night! I hear so many people say, "I couldn't help myself." When they say that, they are lying to themselves.

Partner, we're not sinners; we're saved by the blood of Jesus, and sin is no longer our master. We are God's instruments of His holiness and His power on this earth. The Word says in 1 Peter 1:16, "*Be ye holy, for I am holy,*" and that's good enough for me! We have the ability to be holy even in a world that sees every work of the devil as benign or even good.

Point two today is this: **We must secure everything good that mankind needs and that God gives—the goodness of God must be shown both here and for eternity.** We are His children and He is GOOD! That means the works that we do need to be good, and what we promote in our lives needs to be good. Our lives must be founded on the Word of God because it is the epitome of what is good.

Now, the world may not like or understand what is good. They may promote the opposite and call it good. It doesn't change the fact that God is good and His Word is true—and the lies of the devil are just that: lies! Lost people are blind. We shouldn't criticize them for it. We should pray for

their eyes to be opened, and we should speak the truth and do the works (2 Corinthians 4:3-4). To do that, we need to walk in truth, too. We can't be just hearers and not doers, deceiving ourselves, as James 1:22 says. We need to talk the talk, and walk the walk!

Partner, God would never ask us to do something that we cannot do. Can we be holy? Yes, we can. Being holy is about realizing the deception this world lives in and choosing God's truth instead. It's about choosing God's way over the lies of His enemy every day. We are everything God said we are, Partner...and we can do everything He said we can do.

GO DO THE WORK

The Great Commission Is a Call to Action—Do Your Part

In the Gospel of Mark 16:15, Jesus said, "*Go ye into all the world, and preach the Gospel to every creature.*" Do you know what that means? Let me help you—it's talking about our theme! It means GO DO THE WORK! That brings me to point three of my letter: **The greatest job God has given us is the Great Commission—it is the cornerstone of God's plan for mankind.** We are a part of that plan: to save who's lost, to heal who's broken, and to deliver who's bound by the enemy. We are part of God's plan to save mankind, one soul at a time. We do it by spreading the Gospel, walking in His light in our own lives, and doing the works He did, and greater, so others can see it.

Go and read the Great Commission in Mark 16:15 in your own Bible for yourself. Look at it, Partner, and notice that those words are in red! That means *Jesus* said them, and His words are the most important words. I want you to notice that the Great Commission isn't about you or me, because we've already been saved. Those words are evangelistic, and they are a call to action. In other words, they are about the world...and they are about us getting to work to win the world for Jesus.

Jesus' words are a revelation of His power. Never forget that His power is YOUR power, too. His words should never be just words to us, but they should become "works" in our lives too, because faith without works is DEAD (James 2:20,26). And a dead Christianity is just plain religion, and that doesn't save anybody. It makes people conform, but it does not set them free in their soul. Our job is to spread His Word and do the works that He did, and greater. That's how we win souls. That's evangelism, and that's how we usher in the return of Jesus to the earth. The end of this age can't come until the Gospel is preached to all the world for a witness. The Great Commission has been given to me, and to you, and to every believer. The question is, are we willing to do our part?

Are you ready to do the work, Partner? I know I am! I know you are, too! We believe in the message of Jesus and the Great Commission, don't we? We know what God did for us, and we want to see as many people as possible saved. We want lives to be changed by the love of Jesus and His sacrifice on the cross for the sins of the world.

GO DO THE WORK

Show the Lost What's Possible

Now, let me get to point four of today's letter: **God's words and works and your words and works are not only things of great power, they are also words and works of great character.**

Character is something we develop as we learn from God's Word and apply its principles. It really is as easy as obeying Ephesians 5:1 (NKJV), which says, "*Therefore be imitators of God as dear children.*" We are God's children, not God's adults; and we learn by following Him. Just following Him makes us powerful people of character.

Partner, we're the heart of this world. We're what brings life-giving light to the dark places. We bring salt; we bring the light! We bring Jesus! The sins of the world bring death, but Jesus can wash any sin away and bring life to the soul of anyone who will turn to Him. Our job is to show the lost what's possible...and what's possible is LIFE, and that more abundantly, through Jesus Christ (John 10:10).

Like a heart in a body, we have become the lifeblood-pumping organ of His power here on earth! And as the organ of His power, we have the answer for this lost and dying world. It's not about beating them or joining them; it's about saving them by pumping some of Jesus' blood into these

lost, hurting, broken, and messed up lives. We don't save anybody. Jesus does the saving. But how will they know if we don't tell them? How will they believe if they don't hear truth or see the works? Partner, there are many confused and deceived people in this world, but the blood of Jesus will save them, heal them, and bless them in ways they never even imagined. Nobody is hopeless, and I'm ready to GO DO THE WORK so they can find that out!

I want Jesus to come back as much as you do, Partner. But I want to see Him in the clouds, knowing that I did all I could to fulfill His commands and His Great Commission, don't you? I know that you do. Thank you, Partner, for helping me to do this great work that God has assigned to us all. Thank you for being a part of our ministry to reach the lost and help believers learn more of the truth that sets them free.

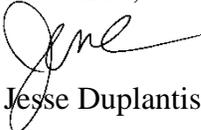

I want you to know that your faithful financial support keeps God's power flowing from this ministry to the world. It seems like every day I get a new project to do for His glory, and I don't mind. Reaching people and changing lives, one soul at a time, is part of the work and I love it! As you sow your seed today, remember the 100-fold return. Remind yourself that Jesus gave you that promise in Mark 4:8, so believe it and call it in. You deserve it because you are God's child and living by His principles, and that is good!

Together, we are mighty organs in the Body of Christ, and we are pumping the lifeblood of Jesus into the lives of others. Every good word, every good deed, and every good seed sown toward the furtherance of the Gospel on this planet is bringing the return of Jesus closer and closer. Partner, when we share Jesus, we are doing the work! When we share Jesus and show the works of Jesus, well, we're sharing and showing the truth about what it means to have life, and life more abundantly.

In close today, let's read the words of Jesus again: "*...He that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto My Father.*" Can we go do the work? Can we really go do the work that *He* did...and even greater? Yes, WE CAN! Together, we can do exactly what Jesus said we can do. After all, He prophesied that we would. We're a part of the plan, Partner, and I don't know about you, but I'm so glad that we are!

Until next month, keep the faith!

Love You,

Jesse Duplantis
